

2018 YOUTH ENTRIES

In an effort to encourage our youth to become future wood carvers, we are offering a special contest promotion for anyone under the age of 17. Wood carving clubs should identify youth in their area that are interested in learning the skill of wood carving and inform them of this program. We are asking clubs to obtain an interesting pattern, provide a blank, and work with a youth to finish carving the model and paint it. **Entry is free.**

Age level is as follows:

Youth – 12 years of age or younger

Junior – those between the ages of 13 to 17.

Guidelines:

1. All entries must be carved and painted by the entrant. Entries may be made of wood, cork, or stretched canvas. The Youth Entry can use a large bar of soap as a blank. Silhouettes can be made using quarter inch thick wood.
2. Entries will be judged for simplicity, durability and practicality. No fragile parts. Simple painting schemes encouraged.
3. Judging will take into consideration perspective, size, shape, and color.
4. Judges may not evaluate the carving of a student or relative.

Prize awards are as follows for each entry level:

Youth:

\$50.00 plus first prize ribbon

\$25.00 plus second prize ribbon

\$15.00 plus third prize ribbon.

Junior:

\$75.00 plus first prize ribbon

\$50.00 plus second prize ribbon

\$25.00 plus third prize ribbon.

This can be a fun experience for everyone involved and we hope you will participate.
